

CUSTOM FACTORY INTEGRATION
SOFTWARE EXPORT COMPLIANCE CERTIFICATION #2

CFI Number _____

This Custom Factory Integration Software Export Compliance Certification is executed by the undersigned on behalf of _____ ("CUSTOMER") as of _____, _____, in connection with the integration by DELL of software provided by CUSTOMER on computer systems purchased from Dell by CUSTOMER. The software provided by CUSTOMER for integration is referred to herein collectively as the "Image". Check and complete where necessary.

The undersigned officer or official of Customer hereby certifies that:

1. For Customer Image No. _____, or any revision of that Image, customer has performed or will perform export compliance screening on all software titles included in the Image, and that Customer will not, without prior notice to DELL, ask Dell to export product(s) containing the Image if that software has not been cleared for export by Customer.

If Dell is to be asked to transfer the Image via FTP, Customer must attach the list of software titles with greater than 64-bit encryption capability.

2. Customer certifies that the Image can be exported as:

A controlled export or re-export of product classified as ECCN _____
License Exception _____.

3. The undersigned further certifies that Customer is aware of the U.S. regulations and laws applicable to exports of goods, software and technology and will abide by those regulations.

4. The undersigned is familiar with the Image and has the knowledge and authority to make the statements made herein on behalf of CUSTOMER.

CUSTOMER agrees to notify Dell if in the future CUSTOMER decides to purchase for export Products containing a successor image to the Image if CUSTOMER has not provided the correct to Dell the ECCN or license exception for that successor image. This Certification will be effective for no longer than one year following the date of signature as set forth below. Please sign on the line below and return this form to Dell at the fax number(s) set forth below.
